DESIGN PROJECTS

Brand Identity Redesign | Freelance Concept

Client: Local Austin Coffee Roaster | Jan 2026 – March 2026

- Designed a comprehensive brand identity system including logo, color palette, and typography rules.
- Developed mockups for packaging and social media assets, improving client's proposed digital engagement by 30%.

App Redesign Project | Student Work

UT Austin Advanced UI/UX Course | Sept 2025 – Dec 2025

- Conducted competitive analysis and created user personas to inform interface decisions.
- Designed high-fidelity wireframes and interactive prototypes in Figma, resulting in a streamlined user checkout flow.

EXPERIENCE

Creative Intern

Campus Student Life Office, UT Austin | Aug 2025 – Present

- Create engaging visual content for campus-wide events, including flyers, posters, and digital banners.
- Collaborate with the marketing team to ensure all collateral adheres to university brand guidelines.
