

HANSEN STEPHANS

EDUCATION

Diploma in Electrical Engineering Technology

Dallas College | Eastfield Campus, Dallas, TX

- **Graduated** : May 2026
- **GPA** : 3.8/4.0
- **Relevant Coursework** : Industrial Automation, Digital Electronics, Electrical Power Systems, Microprocessors.
- **Honors** : Dean's List (Fall 2024 - Spring 2026), Academic Excellence Scholarship

EXPERIENCE

Electrical Engineering Intern | Apex Manufacturing

Solutions, Richardson, TX | June 2025 – August 2025

- Assisted senior technicians in calibrating industrial sensors and maintaining factory assembly line equipment.
- Updated and digitized over 50 electrical panel schematics using AutoCAD Electrical, improving team access to accurate blueprints.
- Identified a failing relay during routine preventative maintenance, preventing an estimated 4 hours of production downtime.

SKILLS

- **Hardware & Software** : AutoCAD Electrical, MATLAB, PLC Programming (Siemens/Allen-Bradley), Multisim
- **Technical** : Circuit Troubleshooting, Soldering, PCB Layout, Equipment Calibration, Blueprint Reading
- **Soft Skills** : Team Collaboration, Project Management, Time Management, Adaptability

SUMMARY

Motivated and detail-oriented Electrical Engineering Diploma graduate with hands-on experience in circuit design, PLC programming, and equipment maintenance. Proven ability to troubleshoot complex electrical systems and collaborate effectively in team-oriented environments. Eager to leverage technical education and problem-solving skills as an Electrical Technician.

Certifications

Certified Associate in
Engineering Technology (CAET)

Society of Manufacturing
Engineers (SME) Member

Institute of Electrical and
Electronics Engineers (IEEE)
