Starlight Pictures Studio

Dear Nathaniel Chan,

I'm thrilled to apply for the role of Hui Shan in Starlight Pictures Studio's upcoming feature film, 'New Dawn'. As a recent graduate with a BA in Acting from the University of the Arts Singapore and a Diploma in Acting (Chinese) from the Singapore Media Academy, I'm genuinely excited to begin my acting career. This role perfectly aligns with my passion for telling compelling stories about strong, independent and successful women breaking stereotypes and cultural barriers.

During my studies, I majored in modern cinema and theatre and earned a nomination in the 'Outstanding Actress' category for my lead role in the university's award-winning production, 'Stepping out of Glass Shells'. Through this experience, I've honed the ability to dive deep into my characters and maximise my performances. Furthermore, my background in dance and competitive gymnastics makes me a perfect fit for Hui Shan, whose athletic prowess is integral to her character arc in the story.

With my academic training and passion for storytelling, I'm confident I can deliver a strong performance as Hui Shan. I'm very interested in this production and look forward to the opportunity to discuss how I can further contribute to 'New Dawn'. Please feel free to contact me via phone or email at your earliest convenience. Thank you for considering my application.

Yours sincerely,
