Dear Hiring Manager,

My name is Brittany Menard, and I am writing to apply for the position of Bartender at Ghost Brewery. I have seven years of experience in various hospitality positions, with four years specifically in bartending. I want to work for Ghost Brewery because of your incredible reputation for quality, creativity and high customer satisfaction.

I've completed all the training required for Indiana bartenders and hold an active and unrestricted bartending license. I'm also CPR certified. In my current position at Indy Indie Bar, I've completed several training sessions on mixology, including an advanced mixology session and courses in performance bartending. I improved my skills so much that in this last year at Indy Indie Bar, I began teaching several bartending skill classes.

My coworkers have described me as hard-working and patient, which are two skills I find extremely useful while bartending. Customer satisfaction surveys also show that I'm well-liked by customers, as I've received the highest scores for 14 separate months during my time at Indy Indie Bar. I'm very proud of this achievement, as customer service is important to me. I know Ghost Brewery shares these values, which is why I would be a great fit for this position.

I appreciate you taking the time to consider my application. Please feel free to call or email me if you have any questions about my qualifications. I am also available to discuss them in person and demonstrate some of my performance bartending skills. I would love the opportunity to join the team at Ghost Brewery.

Sincerely,

Veronica Clark
