Dear hiring manager,

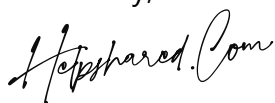

I am writing to express my interest in the open Dental Assistant position at McMillan Dental and Associates. As a compassionate and detail-oriented Dental Assistant, I'm confident I could be a valuable asset to the McMillan Dental team. In my five-year career, I've successfully managed administrative tasks while building relationships to ensure high-quality dental care for patients.

As an experienced Dental Assistant, I'm familiar with a variety of dental treatments and procedures, including X-rays, extractions, crowns, fillings and veneers. This experience allows me to anticipate and fulfill a dentist's requirements quickly to improve efficiency. My diligent work ethic and technical expertise led me to earn a 99% employee review score, the highest score ever awarded by the dentist at my current practice.

In addition to my technical abilities, I consistently use my communication and empathy skills to connect with patients so they feel comfortable during their dental treatments and procedures. I've received many positive patient reviews, along with four personalized thank-you letters. I consider the relationships I've built with numerous patients to be among my greatest career achievements.

Thank you for your time and consideration. I look forward to hearing from you soon about the next steps in the application process. Please contact me by phone or email if you have questions or want to discuss my qualifications in more detail. I'm excited about the possibility of using my technical knowledge and relationship-building skills to help McMillan Dental and Associates continue to provide exceptional dental care.

Sincerely,
