Leo Dalton
Hiring Manager
Home Away Bed and Breakfast

Dear Leo Dalton,

I'm excited to apply for the Data Entry Clerk position at Home Away Bed and Breakfast. As a data entry professional with over five years of experience in the hospitality industry, I feel my professionalism, organization and attention to detail make me an excellent candidate for this job. I look forward to the opportunity to challenge myself in a new role working for a company with international recognition in the field of hospitality.

In my previous role as a Data Entry Clerk for the regional hotel chain Snow Place Like Home Hotels Michigan, I managed the data entry tasks for the five hotels in our chain. My responsibilities involved inputting accurate information regarding bookings and guest payments, answering guest questions regarding their charges and managing our internal data files. I worked closely with the management team of Snow Place Like Home, and I responded quickly and courteously to all inquiries made by guests and employees. My inviting personality and data entry efficiency earned me employee of the month seven times throughout my employment.

As a Data Entry Clerk, I pride myself on my ability to manage multiple databases with accuracy and efficiency. Since I oversaw the data entry tasks for five hotels, including information for both guests and employees, I used my exceptional organizational skills to ensure all databases were well-kept and up to date. Additionally, I have the proven ability to work well both independently and as part of a team. Although I performed most of my entry duties alone, I often worked with the management team to identify opportunities for implementing new technology systems that improved my workflow.

Thank you for your time in considering my application. I look forward to learning more about this position through our future correspondence. I feel my skills and experiences make me a qualified candidate for the position at Home Away, and I believe this role will challenge me to grow my professional assets by allowing me to take on more responsibilities. Please contact me by phone or email to schedule an interview or if you have questions regarding my candidacy.

Sincerely,

Alena Winston
