Encore Foundation LLC

Dear Mrs. Camila Chavez,

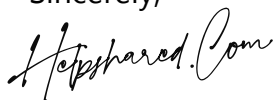

I'm interested in applying for the customer service representative position you have available at Encore Foundation LLC. As someone who enjoys learning new skills, helping others resolve challenges and working in a team environment, I believe I would excel in this role. While I recognize that I could certainly learn a lot from your experienced team, I also hope to benefit your organization with my excellent communication and time management skills.

In the job description, I found for this position on the Encore Foundation LLC website, you mentioned that you're looking for a dependable candidate who has previous customer service experience. Throughout my career, I've held several customer service jobs, including working as a waitress for three years and as a front desk receptionist for two years. These experiences have taught me the importance of listening to customers, maintaining a positive attitude and working with other team members to provide the best possible service.

In my current role as a receptionist at Premier Valley Hotel, I've received the Employee of the Month award four times. This award is presented to employees who exemplify Premier Valley Hotel's core values, which include being dependable, resourceful and hardworking. As you can tell from the information I've shared, I truly enjoy working in the customer service industry, and I'm excited about this opportunity to continue my career at Encore Foundation LLC.

Thank you for taking the time to review my application. If you have any questions, you can contact me via phone or email. I look forward to hearing from you to learn more about the customer service representative position.

Sincerely,
