Matthew Rogers
Hiring Manager
Axel Media Group

Dear Matthew Rogers,

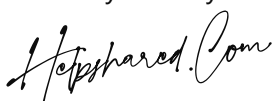

My name is Tania Sorenson, and I'm writing to express my interest in the Video Editor position with Axel Media Group. I felt excited when I saw the posting for this position, as I've always admired your company's ability to seamlessly edit scenes with effects that feel so natural. As an experienced Video Editor with skills in sound editing, cutting and post-production, I believe I would be an asset to the team, capable of producing high-quality content for your clients. I hope to grow in this role toward a Senior Editor position and eventually grow into a career as a Production Manager.

I've been interested in video editing since my early years. Before pursuing formal education, I developed skills in digital editing, both photos and short videos. I have a passion for longer films, and my education helped me gain expertise in a variety of formats, such as commercials, online content, short videos and feature films.

In my current role at Jive Videos, I handle linear editing for over 50 videos per year. This includes our advertisement videos, promotional materials for new television shows and bespoke requests like weddings and other events. I'm an expert with sound editing and cutting videos that exceed ten hours into short videos of less than 30 minutes. Our video engagement from our corporate clients has increased by 15% since I started editing to ensure we deliver a clear message that increases sales. Our customer satisfaction rating has remained at 98% with all projects I've worked on.

Thank you so much for your consideration for the Video Editor position, as I know many people hope to work with a company like yours. You'll find my resume attached along with a link to my professional website that highlights my best work. You can contact me at the email or phone number listed above. I look forward to discussing my qualifications and the requirements for this position in more detail soon.

Thank you for your consideration,

John Summer
