Principal John Harison

Uniform Elementary School

484 Land Learners Way, FL

Orlando, Florida 10123

Dear Principal Harison;

My name is Mackenzie Smith and I am writing to express my interest in the third grade English/Language Arts teacher position with Early Learners Elementary School. I am excited about the opportunity to teach at Early Learners Elementary School because it would be a pleasure to return to my own elementary school as a teacher. I would be the perfect candidate for the third grade English / Language Arts teacher position because I have the training, skills and personality to provide children a solid foundation for a lifelong love of learning. This position aligns perfectly with my goal of playing an active role in the classroom as I prepare for advancement into administration.

As a recent graduate from the University of South Florida with a Bachelor of Science in Elementary Education I have the required training needed for the third grade English / Language Arts teacher position at Early Learners Elementary School. Relevant course work included Emergent Literacy Strategies and Assessment, Learning and Development within a School Context and Creating and Differentiating Learning Environments.

I graduated with High Honors and was a member of the SunCoast Area Teacher Training and Educational Research Program (SCATTER), Kappa Delta Pi and eduCARE. My prior experience in customer service in the retail industry also gave me the patience and skills needed for effective classroom management.

One thing that attracted me most to Early Learners Elementary School is the volunteer work the school does to give back to our disadvantaged youth. I am also passionate about empowering every student with a love of learning and volunteer regularly for my local YMCA Club as an after-school tutor. I look forward to meeting you in person during an interview to further discuss my qualifications and how I will be an asset to the teaching team at Early Learners Elementary School. Thank you for your time and consideration.

Sincerely,

Alicia Samantha

Allison Mitchell

Principal

Beyer Elementary School

123 Lake Drive, Monterey, CA

Dear Allison Mitchell,

I am excited to apply for the fifth-grade teacher position at Beyer Elementary School that I saw advertised on Helpshared. I believe my combination of critical thinking and communication skills along with my educational background makes me an ideal candidate for the job.

I have experience working with children through volunteering and student teaching. As a student teacher, I observed and supervised a sixth-grade class and worked alongside a certified teacher. I helped create lesson plans and engaged students in learning content through various formats. I also helped increase student participation and saw a 20% increase in test scores during my time as a student-teacher. This experience helped me learn the best teaching practices and greatly improved my patience, organization and creativity skills.

Combined with my teaching degree, I aim to use my skills to foster a child's educational development and ensure they're reaching their academic potential. I'm confident that my skills and passion for teaching have prepared me for this role at Beyer Elementary School. I am eager to learn more about this opportunity as it continues to improve the quality of education in the Monterey area. Please contact me at your convenience to set up a time to discuss the position in greater detail and how my qualifications align with your educational program. Thank you for your consideration.

Sincerely,

Morgan Shepherd
